FOREWORD

Life is a drama composed of many scenes and acts, and we, the TYSHAC Staff, hope that in years to come this 1958 yearbook will portray one year of your drama of life. Every worthwhile achievement has its stages of failure and triumph, and we sincerely hope this year at Clevenger College will be remembered in the latter category.

DEDICATION

OUR DEAN AND FRIEND

ALICE K. OSTROM

Along our paths we have found one who has lifted some of the impediments and made our way easier because of her interest in each of us, and her constant desire to help when needed.

Her guidance and intellectual stimulation has encouraged all with whom she is associated, and her ready wit and humor have brought sunshine to our darkest days. So to you-with gratitude, love and friendship-we dedicate TYSHAC for 1958.
